State Route 202 Tehachapi Bridge

Kern County

Project Purpose:

The State Route 202 project realigned the Tehachapi Boulevard and Route 202 intersection. The old bridge deck was only twenty-six feet wide and in order to meet current standards of forty feet, a new bridge was constructed.

Description:

This project connected Tehachapi Boulevard to Tucker Road at Red Apple Way and put a signal at the intersection. A new bridge was constructed to replace the existing which then created a new 4-lane road connection to Tucker Road.

Project Limits:

In Tehachapi, from approximately one-half mile west of the Tucker Road/Valley Boulevard intersection to the eastbound Route 58 off-ramp.

Construction Costs: \$6.5 million

Funding Source:

Funding provided by the State Highway Operation and Protection Program (SHOPP).

Agency Responsibilities: Caltrans: Design, Planning, Right of Way and Construction
